Dear RLDAM Supporter:

The Retail Lumber Dealers Association of Maine Board of Directors is dedicated to the stewardship of our industry. We will continue to strengthen the bonds of our Association while maintaining our individual independence.

Our Legislative Reception and lobbying efforts in Augusta continue to produce results which benefit the lumber industry in Maine. Events such as our educational seminars, golf outing, and annual meeting have provided value to our membership and allowed our membership to come to know one another as peers rather than just competitors. Events like these would not be possible without the generous support of our vendor sponsors. The quality and content of what we are able to offer our membership is a direct result of the financial support of our vendors. We understand it; you understand it and we thank you for it.

In an effort to make the process of sponsor solicitation less time consuming we have decided to once again offer a single annual sponsorship. Our 2008 sponsorship program offered sponsorship opportunities for the entire year. Thanks to your participation, it was a very successful year.

Our educational and social functions are well attended by retailers, providing both access and value to our vendor sponsors. The 2009 program offers three levels of participation: gold, silver and bronze. Our goal is to provide value and distinction at each level of support. Please see the enclosed copy for your reference.

The level of member participation is higher than it has ever been. It is that increased level of participation that will ensure the future success of our Association. On behalf of the Board of Directors, thank you for your past, present and future support.

Jim Murphy
