Intermediate Blueprint Reading & Estimating

February 21, 2019 • 8 a.m. – 4 p.m.
Elks Lodge
500 Jones Ave., Portsmouth, NH 03801

Course Description:

Expose participants to complex drawings to enhance their blueprint reading and take-off/estimating skills.

Who should attend:

The Intermediate Blueprint Reading & Estimating training program is designed for participants familiar with blueprint reading and take-offs who want to further develop their proficiency and skill. Attendees with 3-5 years of industry experience will benefit and further develop their understanding of construction drawings and estimating.

Sign up today, space is limited!
