

December 2020

Dear Associate Member:

Many of NRLA's associate members sponsor more than one state and local association. We appreciate your dedicated and continuing support of these organizations. Your support enables the regional associations to:

- Subsidize NRLA's Learning Management System and classes;
- Offer college scholarships to students of associate and retail members;
- Support State and Federal legislative efforts; and
- Offer social events providing excellent networking opportunities.

NRLA has been asked by associate members to provide one form listing all state and local sponsorship opportunities. **This is NOT in addition to the sponsorship letters you may be receiving from individual state and locals, but rather a way of making sponsorship of multiple state and locals more streamlined.** Enclosed is a list of state and local association sponsorship opportunities and the registration form for your use. Please note that, as each state and local is a separate entity, separate sponsorship payments must be made to each organization individually.

We hope that this form is useful to you. However, you do not have to use this method for multiple sponsorships. You may, of course, continue to complete and submit individual sponsorship forms as they are sent to you.

Thank you again for your support!

Sincerely,

Stephen Ciccone
