Reeds Ferry Lumber Corporation  
Ricci Lumber

Seacoast Mills Building Supply, Inc.  
Selectwood

Skehan Home Center  
Varney-Smith Lumber Co. Inc.  
White Mountain Lumber Co. Inc.

## Legislative

In 2019, NHRLA's priority legislation repealing the requirement for the inspection of timber passed both houses and was signed into law. We strongly opposed payment for earned, but unused vacation or personal time and scheduling notice for hourly employees. Both issues were tabled for the year.

One of the most controversial issues this year was a proposed mandatory paid family medical leave program. The governor supported a voluntary paid family leave program, but the legislature supported and passed a mandatory paid family leave program. Ultimately, it was vetoed by the governor.

The New Hampshire House and Senate kept 230 bills in committee to work on over the summer and fall. The major issues being reviewed and vetted for 2020 include a gas tax and road use fees, mandatory car insurance (currently, New Hampshire does not require that motorists have insurance in order to register their cars), a fee on any carbon-based fuel imported, sold, or used in New Hampshire, bans on single-use carryout bags and plastic straws, and marijuana legalization.

## Education

NHRLA will once again subsidize their members with  
*\$75 per employee per day*  
Blueprint Reading & Estimating.

This program will run February 17 – 21 at the  
Portsmouth Elks Club.
