John Fijalkowski, *Associate Director*

January 2016

Dear Member:

While the past few years have indeed been challenging to the building industry, members of the RILBMDA have remained both supportive and dedicated to our organization, and we sincerely thank you for your time and resources. As the economy continues to recover, our association will be there as a guiding light towards success for all lumber & building materials dealers in this great state of Rhode Island.

Besides the tremendous camaraderie, the RILBMDA has developed a respected government affairs program, which has been a watchdog for our industry and continues to support scholarships for our member's families. The RILBMDA monthly dinner meetings present networking opportunities. We continue to host the Northeast's best attended state association-sponsored social event – our annual golf outing and clambake. Your continued participation ensures the ongoing success of these programs.

This letter pertains to **membership dues only, NOT SPONSORSHIP**. Your payment of \$350 covers the cost of *one dinner attendee per meeting*. Please submit payment by Feb. 5. Additional employees are encouraged and welcome to attend at a charge of \$45 per person.

**On January 27**, the RILBMDA will resume its monthly meetings, which will be held on the fourth Wednesday of the month in March, April, May, June, September and October. Our infamous golf outing and clambake is scheduled for **July 6**.

Please review the contact information on the outside of the envelope in which this letter was sent. All corrections and/or updates may be made on the back of this page faxed back to the NRLA at (518) 880-6341 or emailed to [mfrissora@nrla.org](mailto:mfrissora@nrla.org). All meeting notices will be sent via e-mail only, so please make sure to update your email address on the form.

In closing, I would like to wish all members a happy, healthy, and most successful 2016. We look forward to seeing you at the NRLA Expo in February!

Sincerely,

Ray Angell  
President, RILBMDA
