Dear Associate Member:

The Eastern Building Materials Dealers Association (EBMDA) would like to say thank you for your support over the years. As many of you know, we have grown and strengthened our association with our recent affiliation with the Northeastern Retail Lumber Association (NRLA).

As an affiliate of the NRLA, EBMDA members will have new opportunities for education, including NRLA's customized Learning Management System and the annual Timber Tour. We will increase our legislative voice by participating in coordinated advocacy efforts at the national and state level. EBMDA will continue to support the IDEAS tradeshow. We also will be promoting EBMDA members active participation at the LBM Expo in Providence, where they will benefit from outstanding educational sessions, compare a wide range of products and services from national and international industry leading companies, as well as experience a wide variety networking opportunities.

Closer to home, EBMDA will again offer regional meetings, which are both educational and a networking opportunity for associates and retail members. In response to member feedback, summer spotlight event will be a clay shoot, presenting premium sponsorship opportunities and, more importantly, a chance to have increased face time with members. Lastly, our annual meeting is a multiday event with both education and celebration.

In the coming months, we plan looking at additional opportunities to invest in our membership. These opportunities may include additional education, scholarships, and advocacy efforts. Our appreciation for the generosity of our vendor community is the cornerstone of what allows us to offer quality programs and content to our members.

We would like to count on your support of the EBMDA in 2018. Our sponsorship program offers three levels: Platinum (\$2,000.00), Gold (\$1,000.00), and Silver (\$750.00). Our goal is to provide value at each level of participation. Please see the attached copy for your reference.

On behalf of the EBMDA board of directors, thank you for your past, present, and future support.

Sincerely,

Eric Tucker
President
Eastern Building Materials Dealers Association
