Dear Friends of the VRLDA,

As 2020 draws to a close, and with the challenges we all faced, the Vermont Retail Lumber Dealers Association is proud of the work we did to support our members in this unprecedented time. We are asking for your support in 2021 to help us continue our efforts.

VRLDA reflects with pride on its accomplishments over the past year.

- **Subsidized members to attend NRLA Expo in February**
- **Funded legislative efforts to support our members through the Covid Pandemic**
- **Provided scholarships for VTC students to help further their education in our industry**
- **Sponsored and supported the Northeastern Young Lumber Executives**
- **Continue to offer, promote, and subsidize education opportunities for Vermont members**
- **Contributed to the LIFT Fund which provides financial and peer support to member employees impacted by a fire or natural disaster resulting in loss of shelter**

All of these accomplishments would not be possible without the support and monetary contributions from our Platinum and Annual sponsors.

If you have contributed to our efforts in the past, I sincerely thank you. If you have not yet become a sponsor of our organization, I would ask you to please consider becoming a partner.

The continued success of the VRLDA rests on your participation. Your contribution and support will help us to reach the goals of the independent retail lumber dealers throughout our state. Without the support of associates and sponsors like you, the VRLDA cannot provide the consistent presence and unified voice for our industry as a whole.

Thank you for your support.

Sincerely,

A handwritten signature in black ink that reads "Josh Druke".
