2020 NHRLA Legislative Breakfast
January 21, Concord, N.H.

Don’t Miss the More Than 100 Legislators!

Please join the NHRLA at the State House on Tuesday, January 21 at 8am for its annual legislative breakfast. More than 100 State Senators and Representatives attend the breakfast each year; they want to meet you and learn about your local lumber business. It is a great opportunity to support NHRLA’s advocacy efforts, talk face to face with your legislators, and educate them on the building materials industry. A strong showing of both NHRLA retail and associate members is critical to sending an effective message to the legislature. Register today!
